

Join us to cut the "Red Ribbon" on DEPLOYMENT INNOVATION!

From Innovation to Deployment...Completing its 11th year of serving the State of California, Cal-IPGCA Cohort 2022 shifted its focus and energies from innovation to deployment. The intrapreneurial challenges have been significant. From a leaders training future leader focus, the lens on the necessity for a statewide infrastructure to serve the real time needs of the State of California and its constituents communities has never been greater. Our collective accomplishments are groundbreaking in "blueprinting" California as a pioneer – One System, One State, One World of Government Innovation and Change Leadership! Through Cal-IPGCA Association, attendance was FREE and offered *8 Professional Development Hours.)

8 am-5 pm

*Professional development hours meet the State of California biennial leadership training requirements. (GC19995.4).

Cal-IPGCA Association sponsored the Cal-IPGCA Cohort 2022 Day of Innovation as a member benefit.
