#TEAM CALIFORNIA

DAY OF INNOVATION

Join us to cut the "Red Ribbon" on DEPLOYMENT INNOVATION!

From Innovation to Deployment...Embarking on its 11th year of serving the State of California, Cal-IPGCA Cohort 2022 shifted its focus and energies from innovation to deployment. The intrapreneurial challenges have been significant. From a leaders training future leader focus, the lens on the necessity for a statewide infrastructure to serve the real time needs of the State of California and its constituent communities has never been greater. Our collective accomplishments are groundbreaking in "blueprinting" California as a pioneer – One System, One State, One World of Government Innovation and Change Leadership! Through Cal-IPGCA Association, attendance is FREE and offers \*8 Professional Development Hours.)
